## Welcome

### From the CEO

On behalf of UniSport Australia, I am delighted to welcome you to the Gold Coast – host city of the 2019 UniSport Nationals Div 1.

The UniSport Nationals Div 1 would not be possible without the tireless commitment of our 43 member universities, coaches, officials, team managers and army of volunteers, who have dedicated themselves to strengthening the position of university programs on the national sporting landscape.

I wish to express my thanks to these groups

and wish all competing student-athletes the best of luck. I trust your experience at the UniSport Nationals Div 1 will facilitate the progression of your sporting endeavours and achievement of your individual goals.

**Mark Sinderberry**  
**Chief Executive Officer**  
**UniSport Australia**

### From the Minister

Welcome to the Gold Coast for the 2019 UniSport Nationals Div 1.

The UniSport Nationals provides a great opportunity for students from 43 different universities across

Australia to compete head-to-head in a range of sporting disciplines. This year will see thousands of students travel to the Gold Coast to enjoy this unique tournament.

The Gold Coast has a reputation as a world-class events destination, with state-of-the-art facilities set against a backdrop of pristine beaches and an untouched hinterland.

The Queensland Government is proud to support this event, as part of Tourism and Events Queensland's *It's Live! in Queensland* events calendar, which will contribute \$800 million to the state's economy this year.

Congratulations to UniSport Australia on staging yet another successful event and best of luck to all the competitors.

To those visiting the region, I encourage you to make the most of your stay, get out and explore everything the Gold Coast has to offer.

**The Hon Kate Jones MP**  
**Minister for Tourism Industry Development**

## From the Mayor

Let me offer a very warm welcome to all the athletes, officials and fans attending Gold Coast for this year's UniSport Nationals.

Given that we have 300+ days of sunshine here, our winters do tend to be way better than many other parts of Australia. You may find a few cool days but they help make competing a little easier so there could be some great performances turned in.

With four university-age children of my own I really admire the grit and determination displayed by so many to combine tough academic schedules with adherence to gruelling training regimes. It's a big ask but you people demonstrate the great adage perfectly: if you want something done well and quickly ask a really busy person.

I also admire the commitment to sport. It is one of our great national characteristics and has helped build our global reputation for what I like to call that have-a-go spirit. It is part of what makes Gold Coast the exciting city it is.

We love to put on a show and sport offers us great opportunities to showcase outstanding skills and athleticism. As the Commonwealth Games last year demonstrated we are a sporting events destination of global standing.

For 12 years now we have played host to UniSport events and we love having you here. It is a pleasure to welcome 10,000 or more friendly faces and I hope you all find time to explore Gold Coast.

When I became Mayor seven years ago I vowed to make this an Education City and that has been a great success. We have three wonderful university campuses here and we are now home to nearly 33,000 international students and that number is growing at 15% a year.

We also have 170,000 domestic students and our share of the Queensland international student market is now 21%. So you should find plenty of academically and sport-minded young people around the traps. Ask them to show you a good time and I'm sure you will be able to take home memories to last you a lifetime.

There are many reasons why Gold Coast is known as Australia's holiday playground so please do sample some of what we have to offer. I'm sure you'll like it!
